Chantemerle adventure park - Forest of adventure

The forest of adventure has something for everyone and lets you swing independently and safely through the branches of the forest of Chantemerle. There is a choice of courses and activities suited to both adults and children.

Long comment

Come and enjoy yourself by testing your balance (in perfect safety) and increase your confidence on the acrobatic courses in the Parc du Chantermerle. Tree-climbing, rope bridges, tarzan swings, etc. Lots of activities to delight children and adults, sportsmen and beginners.

To conquer the summits, there is a choice of seven courses, increasing in height and difficulty. Balance and self-confidence are the best ingredients for success in our tests. Adjusted for all levels, everyone can have a go.
