## Riding centre La Garrelière

Allow yourself to be taken confidently in the rhythm of the hoofbeats of your horse.

Bruno and Beatrice welcome you to La Garrelière at Saint Maurice des Noues in the Vendée for a special horse-riding experience. Several activities are on offer in their riding centre. Under their professional supervision you can confidently allow yourself to go with the rhythm of your horse.

## Long comment

Bruno and Béatrice welcome you to La Garrelière in the village of St-Maurice des Noues to spend time in the company of horses and ponies.

After having brushed a pony or a horse, you will be able to ride around the Vendéen bocage.

Adults and children alike can discover the universe of this wonderful animal, the horse. Béatrice and Bruno have a special way of imparting their knowledge and love of the horses, ponies and the countryside. As organic farmers, they will show you around their plantations and fields where the horses graze.

A delicious snack, made by Beatrice, awaits you at the end of your visit.
