## Montgolfière Sensation

Feel the mist of the early morning in the Marais Poitevin. Come and discover the magnificent landscapes of the Poitou-Charentes. Admire the wild Deux-Sèvres (79) between Bressuire, Parthenay and Thouars, with the valley of the Thouet, the “Bocage” and the “Gâtine”.

## Long comment

Enjoy total relaxation, where time stops and dreams start.

Experience perfect communion with nature and awaken your senses. Admire the sunflowers, skim the river, and almost brush the treetops...

Fly away with us in the wind and discover the wonders of our beautiful region, its châteaux, its rivers and its marvellous countryside. After your adventure, our team will share a convivial aperitif, the “pot of the pilot”, with you.

The sky becomes your adventure playground. Discover contrasting landscapes - choose between the magical Marais Poitevin and the wild beauty of the Deux-Sevres.
