The Golf in Deux-Sèvres

Discover our beautiful region and enjoy the diversity of different courses that are offered in a friendly atmosphere

Long comment

GOLF OF MAZIERES-EN-GÄTINE:

Set amongst lakes and ancient trees, this course produces surprise after surprise behind each hedge cow. The greens here are original and challenging.

GOLF OF NIORT-ROMAGNE:

Nearby the city town and the "Marais Poitevin", we suggest you a relax day around our greens. A fairly flat course on which all the tees are raised. The greens are well defended by bunkers and the fairways are narrow, making this technically demanding course.

GOLF RESORT DOMAINE DES FORGES:

The only holes golf course in the Deux-Sèvres. The Golf des Forges is suitable challenge to all levels of golfer.
